

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

INTRODUCTORY.

THE publication of a Roster of the Soldiers of Ohio in the War of the Rebellion was authorized by the following resolution, offered by Mr. VAN CLEAF, and adopted by the Legislature, almost without opposition, on May 15, 1884:

Resolved by the General Assembly of the State of Ohio, That the Governor, Secretary of State and Adjutant-General be and they are hereby authorized to secure the publication, in book form, of the complete Roster of all the Regiments, or parts of Regiments, furnished by Ohio, in the War with Mexico, and in the War of the Rebellion; said publication to contain the main items of the record of each officer and soldier, so far as the same is attainable, from the rolls now in the Adjutant-General's Office, and in the War Department at Washington. And they shall begin said work as soon as practicable, and continue the same until the said printed Roster is complete; the printing and binding to be under the direction of the Commissioners of Public Printing, and the publication, when completed, shall be under the control of the officials first named, for such disposal as the General Assembly may hereafter direct.

The records of the War with Mexico, and the three-months' troops in the War of the Rebellion, now in possession of the Adjutant-General of Ohio, are so incomplete, and the difficulty of securing the missing rolls from the War Department at Washington so great, that it was thought best to postpone preparing a Roster of those troops until later, and work was commenced at once in preparing a record of the three-years' troops. The first volume, known as "Volume II."—Regiments 1 to 20, inclusive—was issued October 15, 1886; the second volume, known as "Volume III."—Regiments 21 to 36, inclusive—January 15, 1887; the third volume, known as "Volume IV."—Regiments 37 to 53, inclusive—August 15, 1887; the fourth volume, known as "Volume V."—Regiments 54 to 69, inclusive—October 15 1887; the fifth volume, known as "Volume VI."—Regiments 70 to 86, inclusive—February 1, 1888; the sixth volume, known as "Volume VII."—Regiments 87 to 108, inclusive—August 1, 1888; the seventh volume, known as "Volume VIII."—Regiments 110 to 140, inclusive—December 1, 1888; the eighth volume, known as "Volume IX."—Regiments 141 to 184, inclusive—March 15, 1889; and the ninth volume, known as "Volume X," containing **Regiments of Infantry** from 185 to 198, inclusive; 1st and 2d
(iii)

Regiments Heavy Artillery; 1st Regiment Light Artillery; 1st to 26th Independent Batteries Light Artillery, inclusive; Williams' Ironton Independent Battery Light Artillery; Paulsen's Independent Battery Light Artillery; 8th Independent Battery Light Artillery (60 days' service); 2d Independent Battery Light Artillery (60 days' service); and 8th Independent Battery Light Artillery (four months' service). Volume I., containing the records of the three-months' troops, will be the last volume issued.

Great care has been exercised to avoid errors in the preparation of this work, but should any be discovered, it is earnestly requested that information concerning them be promptly given to the Adjutant-General, that they may be corrected in the "Errata," which will appear in the last volume to be issued—to be known as "Volume I."

The Legislature, at its last session, passed on February 20, 1888, the following law (H. B. No. 67), to amend section two of an act entitled an act to provide for the publication and distribution of the Roster of Ohio Soldiers, passed May 12, 1886, and amended February 3, 1887, which reads as follows:

SECTION 1. *Be it enacted by the General Assembly of the State of Ohio,* That section two of the above-mentioned act be so amended as to read as follows:

SEC. 2. The distribution of said volumes shall be under the direction of the Adjutant-General, and shall be as follows:

To each Member of the Sixty-Seventh General Assembly, twenty copies of each volume, inclusive of copies already received, and each Member of the Sixty-Eighth General Assembly, twenty copies of each volume; but when any Member of the Sixty-Seventh General Assembly becomes a non-resident of the county, or district he represented, the said copies of each volume may be drawn by his successors.

To the Roster Commission, twenty-five copies of each volume.

To the Adjutant-General, for distribution to the Adjutant-General of each State and Territory, and proper officials of the War Department at Washington D. C., sixty copies of each volume.

To each of the State officers of Ohio, and to each of the various State departments and institutions, one copy of each volume.

To the State Library, fifty copies of each volume for exchanges, and ten copies of each volume to be retained permanently therein.

To each public library of an incorporated city or village of the State, one copy of each volume.

To each post of the Grand Army of the Republic, and to each command of the Union Veterans' Union, on condition that if the post, camp or command be disbanded at any time, the same shall be returned to the State Library, one copy of each volume; and to the Department of Ohio Grand Army of the Republic, and Loyal Legions, each one copy of each volume; and to each camp of the Sons of Veterans, on condition that if the camp be disbanded at any time, the same shall be returned to the State Library, one copy of each volume.

To each County Recorder, to be by him kept in his office and transferred to his successor as other public records, one copy of each volume.

To each Township Clerk, to be by him kept in his office and to be transferred to his successor, one copy of each volume.

To each Clerk in the Roster Department, one copy of each volume; *provided*, that any distribution herein provided for shall be inclusive of copies of volumes already distributed under former laws.

INTRODUCTORY.

v

The remainder of said copies, after such distribution, shall be placed on sale by the Adjutant-General, at a price not exceeding one dollar per volume. He shall keep a record of such sales, and shall, at the end of each quarter of the fiscal year, pay into the State treasury the sum received, until all of said volumes are sold, unless otherwise directed by the General Assembly; *provided*, that he shall not sell more than one copy of each of said volumes to the same person.

SEC. 3. That section two of said act, passed May 12, 1886 (83 v. 146), as amended February 3, 1887, is hereby repealed.

SEC. 4. This act shall take effect and be in force from and after its passage.

Under provisions of law the Commissioners of Public Printing, together with the Adjutant-General, awarded the contract on May 25, 1888, for furnishing four volumes, 10,000 copies each, to the Ohio Valley Press, Cincinnati, O., at 84½ cents per volume. Much credit is due this company for the handsome manner in which the work has been executed, both in printing and binding.

185th Regiment Ohio Volunteer Infantry.

ONE YEAR'S SERVICE.

THIS Regiment was organized at Camp Chase, O., February 25, 1865, to serve one year. The Regiment left Camp Chase on the 27th of February, under orders to report to General Thomas, at Nashville, but was detained at Louisville by General Palmer, who applied to General Thomas and obtained permission to retain the Regiment in Kentucky. Regimental Headquarters were established at Eminence, Ky., and the companies were scattered through the State from Owensboro to Cumberland Gap. Cumberland Gap was guarded for several months by four companies of the Regiment. Mt. Sterling was garrisoned by two companies, together with a detachment of the Fifty-third Kentucky, all under the command of Major Benjamin, of the One Hundred and Eighty-fifth Ohio. Shelbyville, LaGrange, Greensburg, and several other towns were garrisoned at times by companies of the Regiment. On the 26th of September the Regiment was mustered out, at Lexington, Ky., in accordance with orders from the War Department.

192nd Regiment Ohio Volunteer Infantry.

ONE YEAR'S SERVICE.

THIS Regiment was organized at Camp Chase, O., March 9, 1865, to serve one year. The Regiment started for the field March 12, arriving at Halltown, Va., near Harper's Ferry, March 16, and reported to General John R. Brooke, commanding Provisional Division. On the 31st of March the Division broke camp and marched through Charlestown, encamping about one mile beyond. On the 3d of April the One Hundred and Ninety-second moved at daylight, under orders to relieve a regiment picketing the Shenandoah River for three or four miles above and below Kabeltown, and about ten miles from the camp of the Division. April 4, under orders for concentration of troops at Winchester for movement upon Lynchburg, the line on the river was abandoned, and the troops moved to Winchester via Berryville. The One Hundred and Ninety-second was stationed some time at Stevenson's Station, and afterward near Jordan Springs. It was then ordered to Reed's Hill, forty-six miles above Winchester, May 23d, at which place the Regiment encamped until ordered to be mustered out, except two companies, which were stationed at Harrisonburg, twenty-five miles above. The Regiment was mustered out Sept. 1, 1865, in accordance with orders from the War Department.

The surrender of Lee's Army caused the Division and Brigade to be broken up, and the Regiment was ordered to Washington City, where it remained performing garrison duty until October 24, 1865, when it was mustered out in accordance with orders from the War Department.

197th Regiment Ohio Volunteer Infantry.

ONE YEAR'S SERVICE.

THIS Regiment was organized at Camp Chase, O., from January 8th to April 11th, 1865, to serve one year. On the 25th of April the Regiment left Camp Chase and proceeded by railroad to Washington City, and on its arrival received the tidings of the surrender of General Johnston's Army. The Regiment was temporarily assigned to the Ninth Corps, and on the 29th of April marched through Alexandria and encamped two miles beyond. On the 9th of May the Regiment was incorporated in the Provisional Brigade, Ninth Army Corps. Two days later the Brigade broke camp, marched to Washington, and embarked on cars for Dover, Delaware, and, arriving on the 5th of May, it encamped at Camp Harrington. On the 31st of May the Regiment moved by rail to Havre de Grace, Maryland, was broken up into detachments, and performed guard-duty along the railroad southward to Baltimore. The Regimental Headquarters were removed to Fort Worthington, near Baltimore, on the 3d of July, and at that time several companies were on duty as guards at the various forts, camps, and hospitals in and around the city. The Regiment reassembled at Camp Bradford, near Baltimore, and on the 31st day of July was mustered out in accordance with orders from the War Department.
